Bullshitter Jim Brault,
MetLife
4712 142 ½ St,
Savage MN. 55378

Dear Bullshitter Jim,

Sometime ago I sent you a letter requesting that you or a representative from MetLife contact me and supply me with the specific amount USD (\$\$) that MetLife claims that I owe in the event that I receive an award from the Social Security Administration. You have failed to answer my request for information.

I have been in contact with the ALJ and have asserted that this information is relevant to my claim with SSA. As a result, I have been instructed by SSA that I can obtain a subpoena that will require you and MetLife to produce this information, under penalty of law. Do I really need to do this Bullshitter Jim?

Also, please refer to discovery regarding US District Court, Northern District of California, Case No: CV 09 1468 SBA (Attachment 1) which asserts that MetLife has an office located in or about Savage, MN.

Since I have been unsuccessful in obtaining the information that I have requested from your address at the GE Disability Benefits Center in Eden

Prairie, MN., I will engage the services of a process services organization / PI firm that will begin "knocking on doors" in the vicinity of the MetLife office alleged to exist at 4712 142 ½ St, Savage MN. or thereabouts. I certainly hope that you will cooperate in these efforts to uncover the truth.

By the way, how is my friend Bullshitter Mike Hall doing? Is he still attempting to intimidate and lie to claimants on behalf of GE, Sedgwick or whoever the hell he works for?

In closing, I will be the guy on the other side of the aisle, in the district court, holding the emasculation tool and smiling. Hope to see you soon!

Chop chop,
